

Annual Review 2025

[illegible]

However, we have issues.

Tasks:

- Management needs to review performance by 1 Jan 2027.
- Finance team must submit tax reports by 15 Feb 2027.
- Engineering strictly must migrate to Cloud by 5 March 2027.

Risks:

- Migration delay could cost \$50k.

Decisions:

- We chose AWS over GCP.
